

# PRODUCTS

## Pneumatic Automation

#1 Pneumatic Specialists in Eastern Canada since 1944

### Actuators

Linear  
Guided  
Rotary  
Rodless

Twist Clamp  
Grippers  
Escapements

### Air Preparation

General Industrial  
Electronic (I/P, E/P)  
Safety (Lock-Outs)  
Compressor Room

Energy Management  
Stainless Steel

### Connectivity

Fittings  
Couplers  
Tubing  
Food Grade  
Remote I/O

Function  
Fittings  
Passive  
Electrical

### Performance Enhancements

Exair  
Gas Springs  
Shock Absorbers  
Cabinet Coolers

Noise/Exhaust Control  
Air Knives/Nozzles  
Vibration Isolation

### Vacuum

Generators  
Pumps  
Cups  
Line Vac  
Pickers/Grippers  
Bottling Solutions  
Industrial Housekeeping

### Valves

Inline  
Process  
Manifolding  
Serial Interface  
Mechanical/Manual  
Dust Control  
Press Safety

## INTELLIGENT AUTOMATION SOLUTIONS

DECADES OF EXPERIENCE,  
MAKING CANADIAN  
MANUFACTURING GREAT

Automation specialists and support, providing the best automation products and unique engineered solutions since 1944.

# SERVICES

Cowper Automation is a full-service, award-winning, stocking distributor of premier components for industry. From automation controls and vision systems to pneumatic products, we are your one source for best-in-class products and solutions.

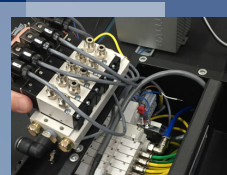

## Stocking Distributor

Pneumatic Cylinders, Valves, Fittings, to Sensors, to PLCs. Everything you need to get things moving.

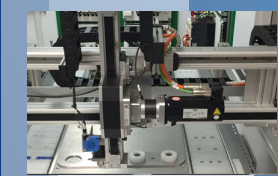

## Factory Authorized Repairs

Quality and dependability in every repair. Our technicians ensure the best ROI with your automation.

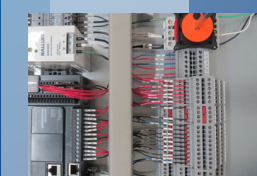

## Sizing and Selecting

Our experience helps you perform best. Ask our team..

## Assemblies

100% tested assemblies and kits, simplify your production.

## Control Panels

CSA certified, built to meet your demands.

# ABOUT US

Unique engineered solutions since 1944.  
High performance products, smart systems, custom solutions, service and much more

## Knowledge

Delivering your competitive advantage through high performance products, smart systems, and custom solutions for 75 years.

We make complex solutions simple

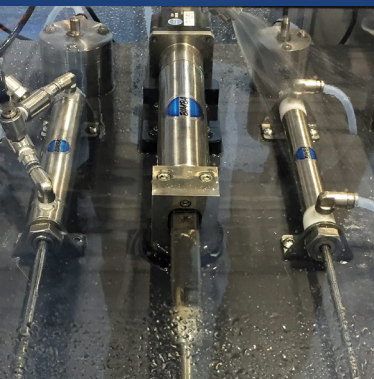

## Adaptability

65% of our business comes from modified standards and customs. Strong, engineering focused suppliers who deliver best in class solutions, backed by incredible experience at Cowper Inc.

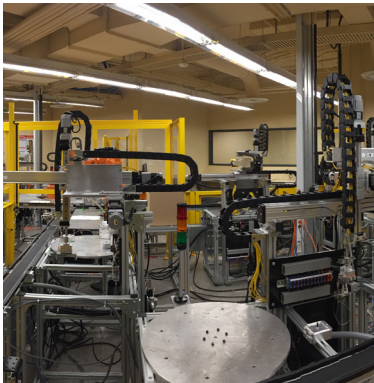

Knowledge, expertise, good people and collaboration.

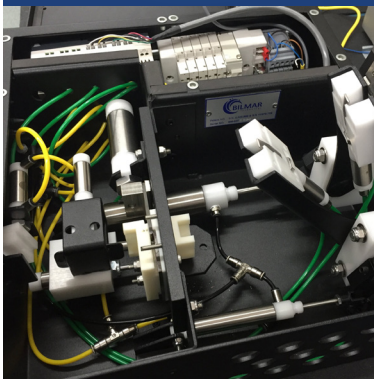

Adaptability and Best in Class

## Service

We make it easy to assess your application requirements and are effective at helping you do better at what you do best.

Custom Solutions from Cowper = Optimized Automation

# PRODUCTS

## Motion Control

### Actuators

Rod Screw Actuators  
Belt Drive Actuators  
Integrated Control  
Miniature (Electric)  
Rotary Servo  
Grippers (Electric)  
Linear Motors

### Controls

PLC  
Motion Controller  
I/O Connectivity  
Power Supplies  
HMI (Touch Screens)  
Temperature Controls  
Teach Pendants

### Motors

Stepper Motors  
AC Motors  
Linear Motors  
Extreme Temperature  
Clean Room Motor  
Motor and Drive Packages  
Servo Motors - AC & DC

### Power Transmission

Servo Gearbox  
Speed Reducers  
Right Angle  
Clean Room  
High Speed Planetary  
Rotary Servo Actuators  
Corrosion Resistant

### Sensors

Inductive Proximity  
Photoelectric  
Machine Vision  
Limit Switches  
Encoders  
Capacitive
